

How to Fold an Origami Cat Face

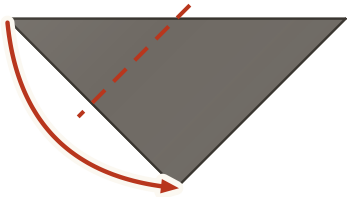

Easy level, 7 steps. Traditional.

Every fold is animated at orikatado.com/cat-face

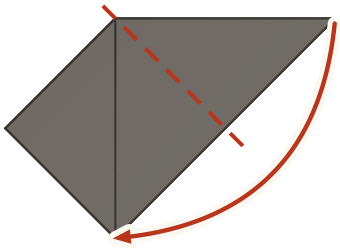

Valley fold: toward you Mountain fold: away from you

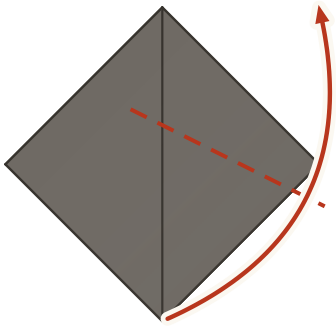

1 Start white side up. Fold the top corner down to the bottom corner.

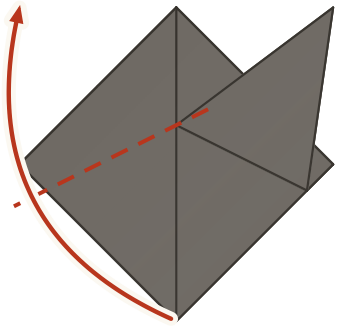

2 Fold the left corner down to the bottom point.

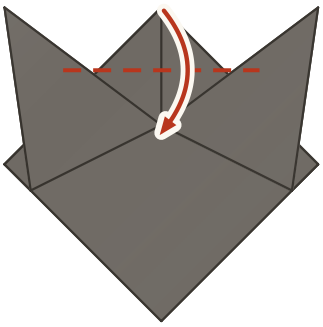

3 Fold the right corner down to the bottom point.

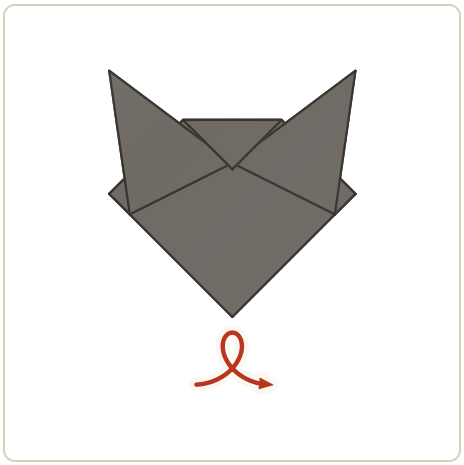

4 Fold the tip of the right flap up and out to make an ear.

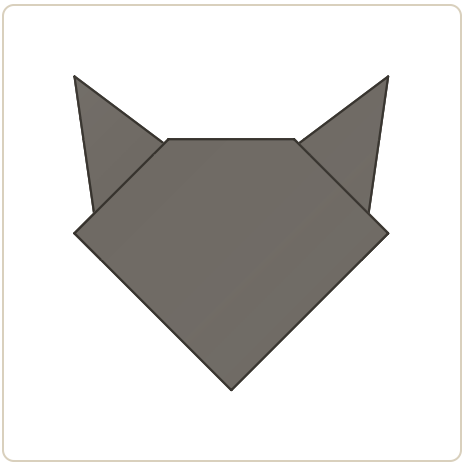

5 Fold the left flap up the same way.

6 Fold the top corner down between the ears.

7 Turn the paper over.

Done Draw the eyes, the nose and the whiskers.
