Valley fold: toward you Mountain fold: away from you

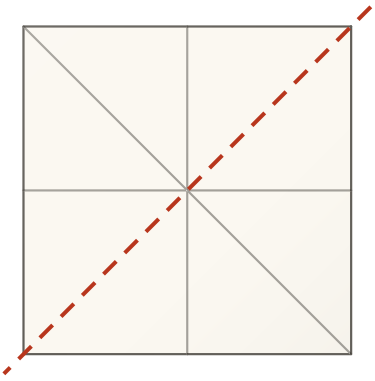

1 Start white side up. Fold in half from left to right, then unfold.

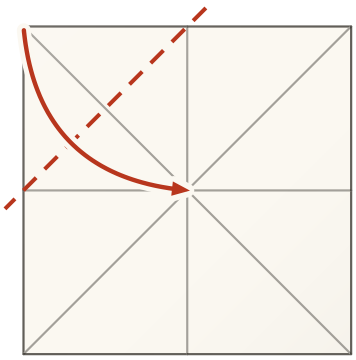

2 Fold in half from top to bottom, then unfold.

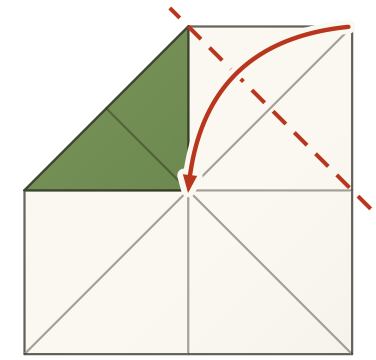

3 Fold in half corner to corner, then unfold.

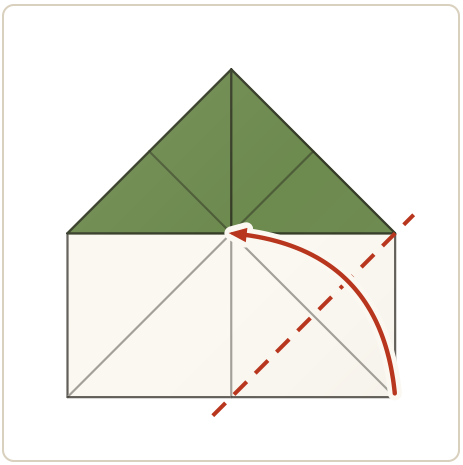

4 Fold in half along the other diagonal, then unfold.

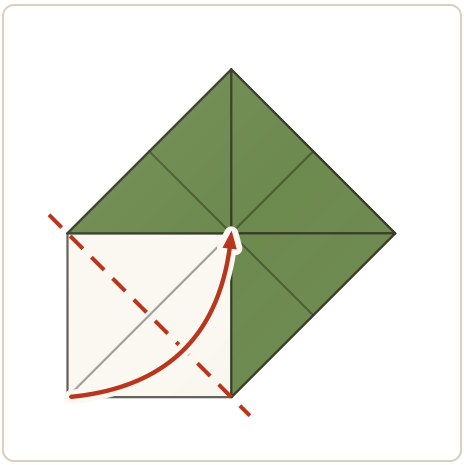

5 Fold one corner to the center.

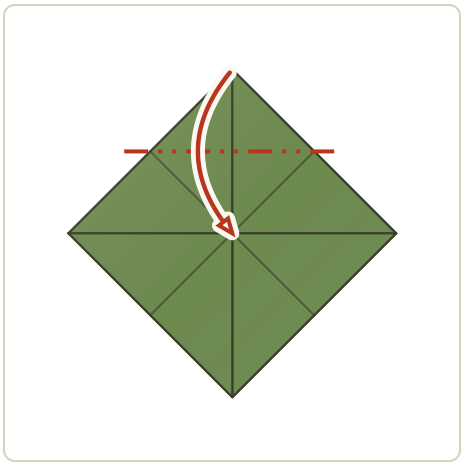

6 Fold the next corner to the center.

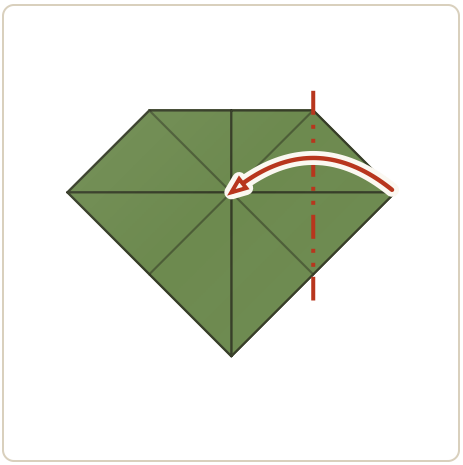

7 Fold the next corner to the center.

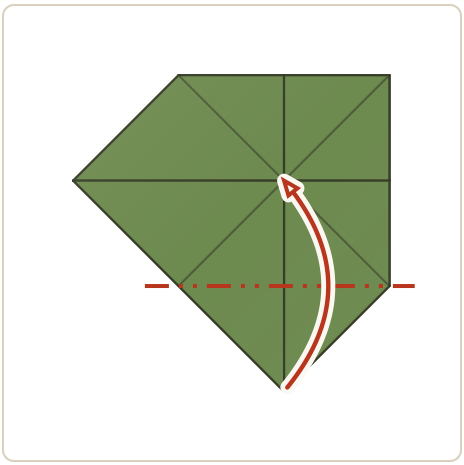

8 Fold the next corner to the center.

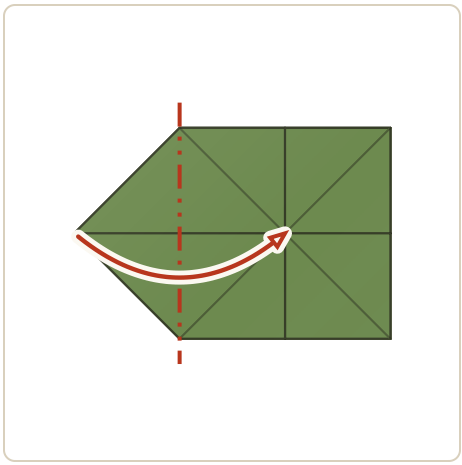

9 Fold the top corner behind to the center.

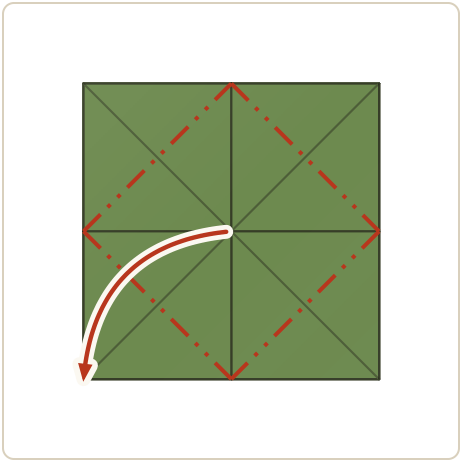

10 Fold the right corner behind to the center.

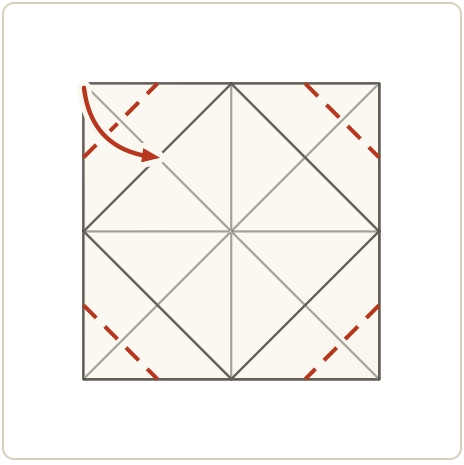

11 Fold the bottom corner behind to the center.

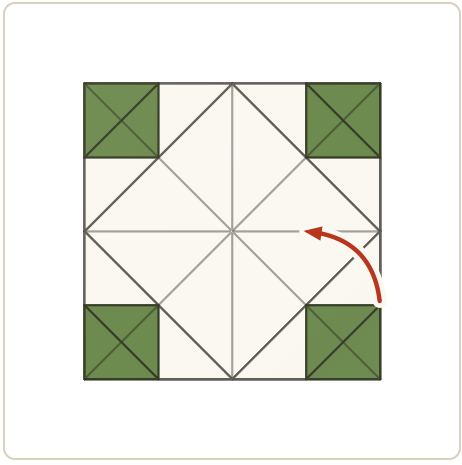

12 Fold the left corner behind to the center. The front shows four small squares.

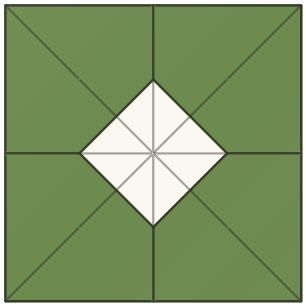

13 Fold the point of each small square back out to the outer corner. A diamond opens in the middle.

14 Fold the corner of each point in to the middle of its long edge.

15 Fold the points back in. Their small corners stay tucked underneath.
