

How to Fold an Origami Sailboat

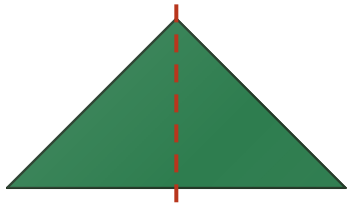

Easy level, 8 steps. Traditional. Earliest record: Studies in Invalid Occupation (Tracy), 1910.

Every fold is animated at orikatado.com/sailboat

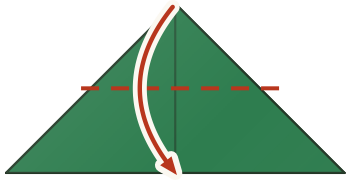

Valley fold: toward you Mountain fold: away from you

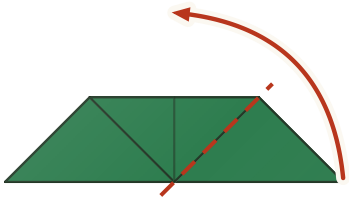

1 Start white side up. Fold the bottom corner up to the top corner.

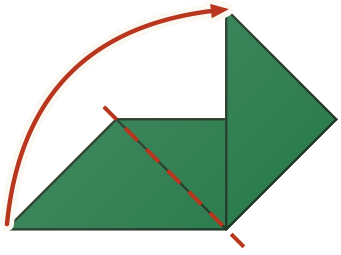

2 Fold in half from right to left, then unfold.

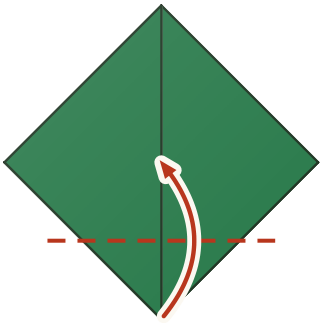

3 Fold the top point down to the middle of the bottom edge.

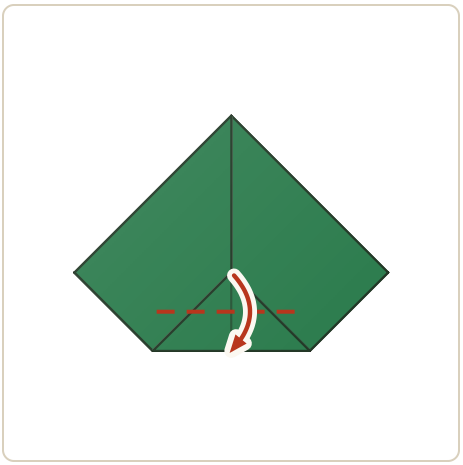

4 Fold the right corner up so the bottom edge lies along the center.

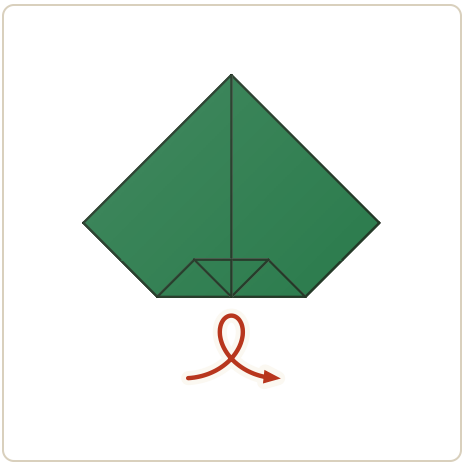

5 Fold the left corner up the same way.

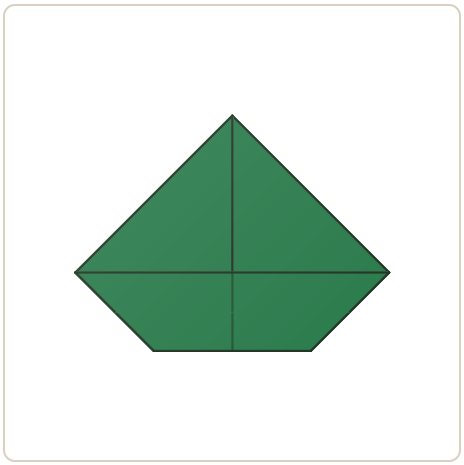

6 Fold the bottom corner up to the center.

7 Fold the tip back down to the bottom edge.

8 Turn the paper over.

Done The back triangle is a stand. Pull it out a little so the boat stands up.
